

TRAVEL

PETE

**Your personalised
Travel-AI Assistant.**

**Get ready for the future of customized
and gamified travelling, fueled by AI!**

Introduction

TravelPETE is an amazing new memecoin with a big vision! We're on a mission to transform the travel industry by leveraging the power of blockchain and AI technologies.

At TravelPETE, we believe in making every traveler's journey as amazing as it can be. That's why we've created a charismatic mascot that helps travelers benefiting from personalized and unique experiences.

We're not just about making travelling easier. We're about elevating the entire travel ecosystem.

So, say goodbye to manual searching for everyday adventures and hello to fully automated travel experiences. From hotels to restaurants to activities, we've got you covered.

What is TRAVEL PETE

Your personal Travel-AI
Assistant.

TravelPETE is your travel buddy for unique and memorable travel experiences. We're harnessing the power of blockchain and AI to create personalized, engaging, and rewarding travel experiences that will make your journey unforgettable.

We are poised to make a significant impact on how travelers explore the world.

Join us on this exciting journey to make every travel experience unique and memorable! With our tool, you will be connected to every accommodation, leisure facility, or restaurant around the world.

CENSORED

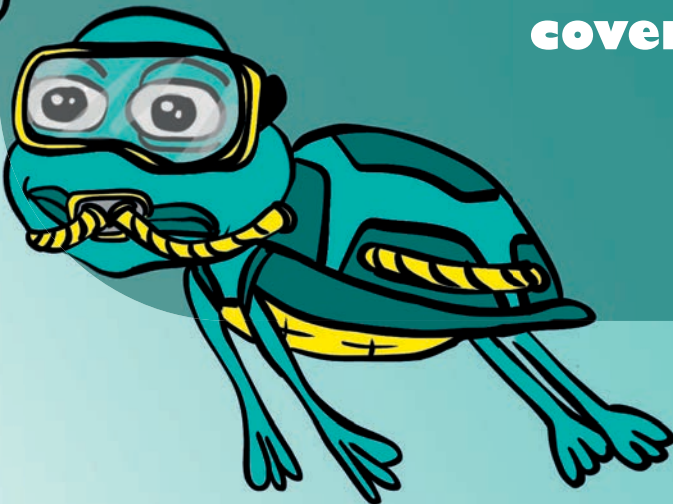

Vision & Mission

How to buy \$PETE

STEP 1 CONNECT WALLET

Find the presale widget at the top of this website and connect your preferred wallet. There are various options to choose from.

STEP 2 BUY TOKEN

Enter the amount you wish to swap for \$PETE and confirm the transaction in your wallet.

STEP 3 STAKE \$PETE

Once you've bought \$PETE tokens, you may let TravelPETE do the work for you. Click on "Staking" in the menu and stake your tokens early to take advantage of the extremely high APY!

STEP 4 CLAIM

Once the presale concludes, you will be able to claim your \$PETE token using the same wallet you used to buy.
